Alderlea woodstoves redefined the traditional cast iron stove by wrapping a graceful cast iron profile around a high-performance steel firebox, a combination that produces radiant and convection heat, in an efficient, long-burning package. The T4, and the T4 Classic in porcelain enamel, incorporates a huge glass window for a clean view of the flame, warming shelves that swing out to reveal a concealed cook top, efficient heat output and unmatched ease of use. It's a powerful, reliable source of heat with old world charm and unmatched durability.
